

Sunnybank District Community Men's Shed Inc.

Website : www.sunnybankshed.org

Men in sheds, building communities, working shoulder to shoulder.

Newsletter : August 2016

Some of the Steps to a New Covered Area

1. Roll the office out of the way.

2. Clear the area.

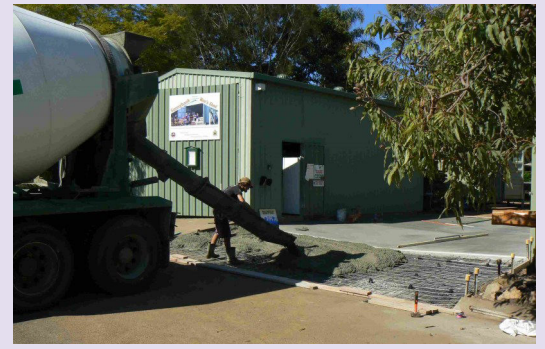

3. Connect the office to the water supply.

4. Concrete between the two sheds.

5. Concrete a step into the office.

6. Finish off the area between the car park and the slab.

Rapid Transport System

David Whittaker was our guest speaker on Friday 29 July.

He has developed the MonoCab VRT System where cars travel 5 metres above the ground. The features are fares are 50% of current costs, travel times are one-third of current times and it is available on demand 24/7. Other advantages include reduced traffic

congestion and no reduction in service due to wet weather. It includes vehicles to carry coal, fuel, livestock & more. Check out other details at www.monocab.com

Your Dues are Due

If you want to be a financial member (& vote at the A.G.M.) you will need to get your \$40 to Mike by Friday 16 September.

CALL COLIN

If you are going to be away for an extended time e.g. on holiday or in hospital please let Colin C. (our Welfare Officer) know. If your wife needs help around the house or in the yard while you're recovering, Colin can arrange someone to help with that too.
Ph 3349 5326 or email colandmarg@gmail.com

From The Committee

- ◆ Des has applied for a grant from AMSA to purchase an air purification system for our new shed.
- ◆ The Friday barbecue which we ran at Bunnings at the beginning of July netted us about two-thirds of what we normally bring in on a Saturday.
- ◆ Geoff C. has volunteered to run our monthly barbecues commencing in September. We're still looking for someone to run the Bunnings barbecues!
- ◆ Des needs some helpers for a Fathers Day evening at Bunnings on Thursday 1 September from 5:30 to 8:30pm - two to BBQ & three to run DIY with him.
- ◆ Warwick is investigating replacing our plastic chairs.

Make a Wish & Blow
