## NOVEMBER 2018

### We're Here To Help!

Here are four items which we made for the community in the last month:

- ☞ a Mud Kitchen for Eight Mile Plains Children's Centre
  - ☞ a Cat Scratch Pole for Dorothy
  - ☞ a Wheel Chair Table for Technical Aid for the Disabled Qld
  - ☞ and a Plinth (wooden bed) on which Disabled Youth can complete their physiotherapy.
- Building communities in more ways than one!

### 1..2..3..4..!

A band which began at the Shed has played its first gig at the Sunnybank Uniting Fete on Saturday 13 October. They are Chris (guitar, vocals), Peter (guitar, vocals), Ken (bass guitar, vocals), Owen (drums) and Esther (keyboard). Their 20 minute set included Lights on the Hill, Holy Grail, Father and Son, Could You Ever Love Me Again?, Long As I Can See the Light and Sister Golden Hair. Wait! Didn't The Beatles begin their career playing at a church fete?

Phil spoke to us on Friday 26 October. They have a 72.5% success rate at solving crimes. You can report anonymously. They help out at Schoolies.

Could this be the future of Woodworking?

This wall plaque of a stage coach was produced on a router driven by a computer. Owen finished it off with pyrography.
