Take note!

It's Open!

A big Thank You to **Cr Kim Marx** for declaring open our **new Kitchen**. This facility is making it more convenient and easier to prepare our smokos and monthly lunches.

Heard This One?

I said to the gym instructor, "Can you help me do the splits?" He said, "How flexible are you?"
I said, "I can't make Tuesdays."
Somebody actually complimented me on my driving today. They left a little note on the windscreen. It said 'Parking Fine.'

What do Lions do?

We had a few Lions, namely Rob as well as Hugh and Ken from Pinelands Lions, visiting us. Lions Clubs exist to serve their communities specifically in the areas of health, youth and emergency response. You can help others by recycling your old spectacles (at the Shed)! Their funded medical research has helped many as has their sizeable donations to various calamities. www.lionsclubs.org.au
