## JULY 2020

### Keep In Mind

Most people attending the Shed has been doing an excellent job of keeping Covid Safe.

However there is always room for improvement.

Here are some things to remember:-

- ☞ **Maintain your physical distance.** The daily Supervisor will be keeping an eye on this. Please follow his directions.
- ☞ **Always cough or sneeze into your sleeve.** If you cough into your hand, you'll have to use sanitizer each time.
- ☞ **Sign out as well as signing in.** Our attendance sheet is an essential document for tracking purposes.
- ☞ **Wipe each tool with disinfectant** before returning it to its place.
- ☞ **Bring your own Morning Tea.** We can only supply hot water.

Our attendance numbers have varied from 3 to 14 with most days averaging about 8.

At present we can only fit 15 with the 4 sq. metre rule.

Please **PHONE OR TEXT SAM ROBINSON** beforehand (0419 758 081) if you intend coming along.

### Outstanding in their Field

Duncan Pegg called in on Friday 26 June to present some Queensland Day Awards.

Our Shed was recognised for the work we do in our community.

He also gave Maurice a Senior Achiever Award "for the Senior Person who has made an outstanding contribution to our local area." Well done Maurice!

### On the Lighter Side

Bored at home during the current lockdown, a bloke decided to re-label all the jars in his wife's spice rack.

He's not in trouble yet but the thyme is cumin.

**What's the difference between a well-dressed man on a unicycle and a poorly dressed man on a bike? Attire!**

If a child refuses to sleep during nap time, are they guilty of resisting a rest?

**No matter how much you push the envelope, it will still be stationery.**

# Don't Sit So Close To Me!

The pictures tell it all! It's not about bad B.O.  
It's Covid-19. It's one point five metres, gentlemen.

# Made at the Shed

A divider for Sunnybank Community Kindy, a mud kitchen also for the Kindy and a Front Door Decoration for Dave.

# The Race Is On!

Maurice managed at last to get the ride-on mower going. So the next obvious step was to challenge Sam to a race - the mower versus the disability scooter. I think you can work out who was faster! Boys & their toys!
